Royals Name, Logo, Uniform

Royals Sport New Look on Field

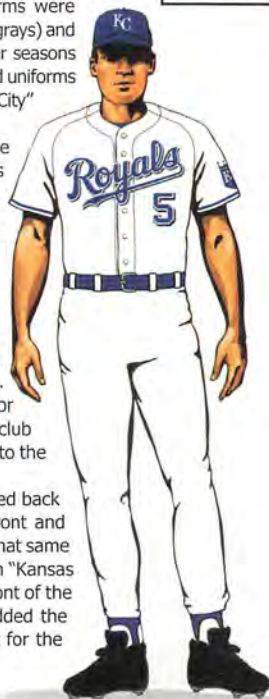

On Jan. 10, 2002 the Royals unveiled their first major uniform change since 1992 and sixth in club history. The Royals introduced a new black home and road alternate jersey, a new gray, sleeveless road jersey and added black trim in their white home jersey and alternate home blue jersey. The last major changes came in 1992 when the Royals powder blue road uniforms were changed to the traditional gray.

The Royals original uniforms were flannel (home whites and road grays) and were worn during the first four seasons (1969-72). Both home and road uniforms sported a blue script "Kansas City" on the chest.

In 1972 the lettering on the front of both uniforms was changed to block capital letters. The team switched to knit uniforms with the move to Royals Stadium for the 1973 season. The knits featured pullover V-Neck tops and trousers without belts, while the road uniforms were powder blue for the first time.

The third change came for the 1978 campaign when the club added the players' last name to the back of the uniform tops.

In 1983 the Royals switched back to tops featuring a button front and added belts to the trousers. That same season the club changed from "Kansas City" block lettering on the front of the road tops to "Royals" and added the players numbers to the front for the first time.

How the Kansas City Royals Were Named:

In 1968, the Kansas City Royals asked the public to submit a name for its new American League franchise. There were no specific rules for the contest, except that the basis of selection would be based on significance to the area, and one that would be suitable for emblematic purposes, as well as appropriate in length for newspapers, radio and TV.

Sanford Porte of Overland Park, Kan., had the winning suggestion out of 17,000 choices. He wrote, "Kansas City's new baseball team should be called the 'Royals' because of Missouri's billion dollar livestock income, Kansas City's position as the nation's leading stocker and feeder market and the nationally-known American Royal parade and pageant. The team colors of Royal Blue and white would be in harmony with the state bird, the Bluebird, the state flag, the old Kansas City Blues baseball team and our current hockey team."

Other suggestions included Mules, Steers, Bluebirds, Cowpokes, Studs and Blues. Mr. Porte's prize was an all-expense paid trip for two to the Major League All-Star game in the Houston Astrodome the following July.

Royals in the Community

Since its beginnings in 1969, the Kansas City Royals have been committed to making a difference in the Kansas City community. Royals Charities, the charitable arm of the organization, supports non-profit organizations through financial contributions, as well as ticket and memorabilia donations.

Re-energized under the leadership of the Glass Family, Royals Charities donated more than \$200,000 to 21 area non-profit organizations through its Fall 2001 Grant Program alone.

The Royals continue to go the distance with initiatives that benefit the Kansas City community and its people. The programs that anchor these areas are outlined below.

Going the Distance...For Our Game

Reviving Baseball in the Inner City: The Royals, the Boys & Girls Clubs of Greater Kansas City and the Kansas City Department of Parks & Recreation are partners in the Reviving Baseball in the Inner City (RBI) program.

RBI provides boys and girls ages 8 to 18 the opportunity to play organized baseball and softball, while placing emphasis on life skills such as teamwork, leadership and interacting with others.

Roberto Hernandez and Kris Wilson serve breakfast to visitors of the Ronald McDonald House in Kansas City during the Royals Holiday Tour.

Mission Statement

The Kansas City Royals dedicate countless hours to civic and charitable endeavors each year with the goals of addressing the needs of our community and enhancing the quality of life for area citizens. Following the standard set by the team's late owners, Ewing and Muriel Kauffman, the Royals continue to be concerned, committed and caring members of the local community.

Continuing the legacy under the direction of the Glass Family, the team strives towards our ultimate goal of 100 percent participation, having all of its uniformed personnel involved in the local community in some manner. Royals players, coaches, front-office personnel, alumni and Sluggerrr make hundreds of public appearances each year. By regularly hosting and participating in youth baseball clinics, school assemblies, hospital visits, autograph sessions, speaking engagements and numerous charity fundraisers, players and staff are able to positively affect the lives of many of their fans.

Royals Charities makes a difference in the lives of thousands of Kansas Citizens by supporting impactful programs that invest in children, education and neighborhoods.

Tools of the Trade - Youth Clinics: The Royals participate in a series of free instructional baseball clinics hosted by area baseball leagues and youth associations. Lucky youngsters get to learn the basics of the game from the big leaguers.

Going the Distance...For Our Youth

Gloves for Kids: Members of the Royals together with area fans purchased gloves for more than 800 underprivileged kids in the Reviving Baseball in the Inner City (RBI) program in 2001. Royals players signed autographs for customers who donated a new glove or made a cash donation.

Spreading Holiday Cheer at The Children's Place:

Several Royals players join Sluggerrr Claus to bring holiday gifts and joy to the children of The Children's Place. The Children's Place works to increase awareness of child abuse and neglect by providing services to families designed to insure the health, safety and security of children as young as six weeks of age.

Carlos Beltran and Carlos Febles welcome children prior to a Royals game.

Granting Wishes of Friday's Dream Factory Child

Through a partnership with the Dream Factory, youngsters with life-threatening illnesses get their wish, the ultimate Royals experience. They meet Royals players, witness batting practice from the dugout, spend time in the Fun Zone, and enjoy the game with refreshments. Each Royals experience appears on the KMBC-TV 10 p.m. newscast during the "Friday's Child" segment.

Going the Distance...For Our Communities

Ruth and David Glass get into the action at the Royals First Annual Going the Distance Gala.

Royals Wives Hit Hunger Where It Hurts:

2002 will mark the 20th annual Royals Wives Food Drive to benefit Harvesters - The Community Food Network of Kansas City. Started in 1982 by Dan and Janie Quisenberry, the event has collected more than 100,000 pounds of non-perishable food items for area citizens.

Community Blood Drive:

Through the Royals Community Blood Drive, donors at locations throughout the city receive Royals T-shirts, tickets and autographs from Royals players, while

Entercom Radio stations raise awareness with live broadcasts throughout the day. The 2001 drive produced a record amount of blood for the Community Blood Center.

Two Teams, One Goal: The Kansas City Royals join forces with Kansas City Chiefs football players in several charity programs, including the Operation Blessing event to feed needy people in the community and Project Warmth to offer families financial assistance for heating bills. First baseman Mike Sweeney also teams up with Chiefs running back Tony Richardson to host the Sweeney/Richardson Golf Classic to benefit Athletes in Action, a faith-based outreach program.

Going the Distance...In Our Classrooms

You're Perfect and We Know It! Elementary and middle school children who achieve perfect attendance throughout the academic year are honored at Perfect Attendance Day. Since 1996, the Royals have recognized more than 25,000 students from over 800 area schools.

Royal Rallies: Sluggerrr and Royals representatives visit more than 50 Kansas City area elementary schools each year stressing the importance of staying in school, avoiding drugs, getting involved in community activities and demonstrating "Royal" manners.

Not Just for the Kids: The Royals also team up for educational programs that extend beyond the classroom. Jeff Suppan leads the Royals efforts in eliminating illiteracy through "Aloha Day", an event which supports Literacy Kansas City. In celebration of Father's Day, the Royals partner with the National Center for Fathering to hold an essay contest in area schools to recognize outstanding fathers.

Going the Distance...For Our Fans

George and Leslie Brett and Mike Sweeney support Royals Charities at the Going the Distance Gala.

Royals Farmland

Caravan: Each winter the Royals players, coaches, alumni, mascot and front office staff visit communities across throughout the Midwest. The group visits schools, hospitals, day care centers, shopping malls, and radio stations. The Caravan provides an excellent opportunity for the Royals to meet and spend time with their fans who do not live close to "The K".

At the Plate and at the Ballpark: Players offer their perspectives on the current Royals season each month during "At the Plate with the Royals". Held at Crown Center in Kansas City, this program provides a unique opportunity for fans to ask questions and interact with their favorite Royals players. While visiting Kauffman Stadium, fans can get close to their favorite Royals through Autograph Saturdays and Fuji Film Photo Day.

Going the Distance...Through Royals Charities

Going the Distance Gala: In 2001, the Royals hosted the first annual Royals Charities Going the Distance Gala. Guests participated in live and silent auctions and mingled with the entire team to raise more than \$68,000 for Royals Charities. The second annual gala is scheduled for June, 2002.

Shirts Off Our Backs: The inaugural "Shirts Off Our Backs" benefit was a hit! Volunteers sold instant win scratch tickets, and fans holding winning tickets received an autographed jersey right off the back of their favorite Royals player.

K's For Cancer: In addition to tying the Major League record for consecutive strikeouts in 2001, Royals pitcher Blake Stein also stepped up to the plate in support of breast cancer support and counseling programs. For every strikeout he records, Stein and Royals Charities make a donation to benefit Kansas City residents who have been stricken with cancer.

David D. Glass

Owner/Chief Executive Officer

David D. Glass became Owner and Chief Executive Officer of the Kansas City Royals on April 18, 2000 after serving as Chairman of the Board of Directors of the Royals since Sept. 23, 1993.

The former President and Chief Executive Officer of Wal-Mart Stores, Inc., Glass joined the company in 1976. Before assuming his position at Wal-Mart, he was general manager of Consumer Markets, a grocery chain in Springfield, Mo.

In his position as Executive Vice President of Finance for Wal-Mart Stores, he administered the overall financial and accounting responsibilities of the company prior to his appointment as Vice Chairman and Chief Financial Officer. He served in that role until 1984 when he was named President and Wal-Mart's Chief Operating Officer. In 1988 he was named Wal-Mart's Chief Executive Officer. He stepped down from the position in January of 2000.

Glass was active in the company's growth from 125 stores in 1976 to its present operation, which includes more than 2,000 Wal-Mart stores and Supercenters, as well as over 400 Sam's Clubs, with international markets in Mexico, Puerto Rico, Canada, South America, China, Korea, Germany and the United Kingdom. The company also operates McLane Company, a wholesale grocery distributor.

Glass was named Retailer of the Year by members of the retail industry in 1986 and 1991, and in 1989 he was honored as one of the Ten Most Outstanding Business Leaders by the Board of Trustees from the Northwood Institute. He has been named Most Admired CEO by Fortune magazine and was tabbed as the 1995 Chief Executive Officer of the Year by Chief Executive magazine.

He is a member of the Board of Wal-Mart Stores, Inc., and the Baseball Hall of Fame.

A native of Mountain View, Mo., Glass graduated from Southwest Missouri State University in Springfield and serves as a member of their alumni association. In 1988, the SMSU College of Business was named David D. Glass Hall in honor of his support and dedication to higher education.

Glass and his wife, Ruth, are the parents of three children, Dan, Don and Dayna.

Dan Glass

President

Dan Glass enters his third season as President of the Kansas City Royals and oversees all aspects of the Royals organization.

Glass previously worked in the Royals Baseball Operations Department from 1993-98. He joined the club as the Baseball Operations Assistant before being named Assistant Director of Player Personnel in 1996, where he assisted with the day-to-day operations of the Major League club and the Player Development and Scouting Departments.

In addition, he was responsible for the coordination and development of the Royals Latin America program. Under Glass's guidance a comprehensive program to enhance the Latin America program was implemented, specifically including lengthening the playing season in the Dominican Republic from four months to 10, adding scouts and instructors in the Dominican Republic and Venezuela and upgrading the facilities in the Dominican Republic. He also initiated classes for Spanish speaking players, teaching them English and how to adapt to American culture.

Prior to joining the Royals, he spent six years as an owner in the jewelry retail business and worked in Glass Enterprises focusing on real estate development projects.

He attended Southwest Missouri State University and graduated from Drury College with a Bachelors Degree in Business Administration. Before entering college, Dan worked in management for five years with Wal-Mart in Fayetteville, Ark., and as a Assistant Manager in Tahlequah, Okla., Tulsa, Okla., and Carbondale, Ill.

Dan resides in Olathe, Kan., with his wife Penny. He has a son, Dayne, and daughter, Danielle.

Spencer T. "Herk" Robinson

Executive VP and Chief Operating Officer

Herk Robinson begins his 33rd year with the Kansas City Royals and his 2nd as the Executive Vice President and Chief Operating Officer.

He served as the Royals General Manager the past 10 seasons. During his stint as General Manager, which began on Oct. 10, 1990, Robinson pushed for the Royals minor league pipeline to pump quality talent to the major league level, as it did in the 1970's thru mid-1980's.

In the last 11 years, Robinson and his staff reshaped the organization's major and minor league operations. Under his guidance, the Royals have a rededication to scouting and signing amateur players, while continuing a strong player development program and improving the club through key trades and acquisitions. This hard work paid off as the organization's success has been rewarded in recent years. In 1994, the Royals were named Organization of the Year by Topps, *Baseball America* and *USA Today*. In 1995, Topps tabbed the Royals and New York Mets as co-winners of baseball's Organization of the Year award and the Royals finished second to the Oakland Athletics for the top spot in 1998.

Robinson's tenure with the Royals extends far beyond his current title. He and the late Joe Burke are the only Royals executives to have worked in virtually every aspect of the club's baseball and administrative operations. Robinson joined the club just after its inaugural season in December of 1969 as Assistant Scouting Director. He was steadily promoted up the Royals ladder as Director of Operations in 1973, Vice President in 1975 and Executive Vice-President for Administration in 1981. This well-rounded background makes him a solid leader for the Royals.

Before joining the organization, Robinson worked for the Cincinnati Reds as the Assistant Scouting Director from 1962-67 and the Baltimore Orioles as a Territorial Scout in Illinois, Iowa, Kansas and Nebraska in 1968.

Herk was honored at the 2001 Kansas City Baseball Awards Dinner with the "Mister Baseball" Award, which is presented to a person who has contributed greatly to further the cause of professional baseball in Kansas City.

Born June 25, 1940, Robinson attended the University of Miami (Fla.) and Washington University in St. Louis. He and his wife, Kathy, reside in Greenwood, Mo.

Board of Directors

Ruth Glass

Ruth Glass, the wife of David Glass, and mother of three children, Dan, Don and Dayna, is a member of the Royals Board of Directors. A native of New Mexico, Ruth makes numerous appearances as an inspirational speaker at Christian womens groups, churches and businesses. She is also a member of the Arkansas Athletic Outreach Board of Directors. She currently resides with David in Bentonville, Ark.

Don Glass

Don Glass brings a multi-talented background to the Kansas City Royals. He is the owner of SCC Wholesale, a real estate appraiser, part-owner in Glass Enterprises L.L.C., and a board member of the Glass Family Foundation. He also has a vast educational background, earning Bachelor's Degrees in Geology and Secondary Education from the University of Arkansas, as well as a B.S. in Management Information Systems from the University of Tulsa.

Glass, 43, resides in Bentonville, Ark., with his wife, Vicky, and children, Darian, Whitney and Mitchell.

Dayna Martz

An avid baseball fan her entire life, Dayna brings love and passion for the game as a member of the Royals Board of Directors. She has worked in the business community in finance, merchandising and retail sales and currently owns and operates a business in Bentonville, Ark. She is also the Chairman of PMD Enterprises, Secretary/Treasurer of the Glass Family Foundation and active partner in the Leyna Group.

Martz graduated from the University of Arkansas with a Bachelor's Degree in Retail Marketing. She currently resides in Bentonville with her husband, Phil, and their three children, Kyle, Cameron and Kenzie.

Julia Irene Kauffman

Julia Irene Kauffman is Chairman and Chief Executive Officer of the Muriel McBrien Kauffman Foundation, which focuses its philanthropic activities in the performing and visual arts in the Greater Kansas City community.

Prior to assuming the office of Chairman with the Foundation, Ms. Kauffman worked for the Kansas City Royals Baseball Club as Director of Civic and Community Relations. She has been a member of the Royal Lancers organization since 1977, was elected to the Lancer Board of Directors in May 1998, and was Lancer President in 1999.

Julia currently serves on the Board of Directors of the Kansas City Symphony Foundation and is Chairman of the Kansas City Ballet. She was appointed to the Nelson-Atkins Museum of Art Board of Trustees in 1997.

Julia resides in Prairie Village, Kansas, and enjoys spending time with her three daughters and one granddaughter.

Allard Baird

Senior VP and General Manager-Baseball Operations

Allard Baird is entering his third season as General Manager of the Royals after serving as the Vice President and Assistant General Manager-Baseball Operations since September, 1998. He was named the fifth general manager in franchise history on June 17, 2000.

Since taking over as General Manager, Baird has overseen the expansion of the Royals professional scouting and international scouting efforts, which now include South America, South Africa and Asia. During his tenure, the Royals have signed three minor leaguers from South Africa and signed free agent Darrell May from Japan during the offseason.

Baird, who is in his 15th season with the organization, began his career with the Royals as the hitting coach at Class A Appleton in 1988. George Brett - #5

Third Base, 1973-1993

George Brett wrapped up a 21-year Hall of Fame career with the Royals in 1993 after establishing himself as one of the greatest baseball players to ever play the game.

He became the only Royal and just the 11th 3rd baseman to be inducted into the Hall of Fame on July 25, 1999 after receiving 98 percent of the votes, the fourth-highest mark in history. He had his number retired by the Royals May 14, 1994.

At the conclusion of Brett's career, he was the only player in Major League history to amass more than 3,000 hits, 300 home runs, 600 doubles, 100 triples and 200 stolen bases. He was the first player to win batting titles in 3 decades (1976, 1980, 1990) and retired as the A.L. career record holder for most intentional walks (229).

A 13-time All-Star, Brett is the club's all-time leader in every offensive category except stolen bases. He was an American League MVP in 1980, finished as the MVP runner up in 1976 and 1985, was a Gold Glove Award winner in 1985, and was crowned the Royals Player of the Year eight times.

Brett hit .390 in his MVP season, posting the highest batting average since Ted Williams' .406 mark in 1941.

Born, May 15, 1953 in Wheeling, W.V., he captivated the baseball world with his performance in the 1985 ALCS and World Series, earning ALCS MVP honors after the Royals rallied from a 3 games to 1 deficit.

Brett posted a .373 World Series average, going 19-for-51 in 13 games, with 3 doubles, 1 triple, 1 home run and 4 RBI. He holds numerous ALCS records after recording a career batting average of .340 in the league championship.

He culminated his career with his 3,000th hit on Sept. 30, 1992. Overall, he guided the Royals to seven postseasons and two World Series. During his 21-year career with the Royals, Kansas City posted 15 winning seasons, including 8 seasons with at least 90 wins.

Frank White - #20

Second Base, 1973-1990

Frank White was the defensive star for the Royals from 1973 to 1990, winning 8 Gold Gloves, an American League record for 2nd basemen at the time. Hall of Famer Bill Mazeroski (8), Ryne Sandberg (9) and Roberto Alomar (10) are the only second baseman in Major League history to accomplish the same feat. His number 20 was retired and he was inducted into the Royals Hall of Fame in 1995.

White claimed the award 6 straight seasons from 1977 to 1982 and missed an unprecedented 9th award in 1988 after committing just 4 errors that season and leading the league in fielding percentage.

He was selected to the All-Star team 5 times and earned the starting nod at second base in 1979. White, who ranks 7th in career fielding percentage among all-time 2nd basemen, was named the Royals Player of the Year in 1983 and 1986.

A native of Kansas City, White was tabbed as the ALCS MVP in 1980 after hitting .545 (6-for-11) and driving in 3 runs to lead Kansas City to its first-ever World Series by defeating the New York Yankees.

In the Royals 1985 World Series, White led all players with 6 RBI, hitting 3 doubles and a home run as KC rallied from a 3 games to 1 deficit to beat St. Louis.

Following his career-best 1986 season, White was selected to the Major League All-Star team that toured Japan in the offseason. He was also named to *The Sporting News* Silver Slugger Team.

The Royals first-ever graduate of the experimental Royals Academy, White ranks 2nd on the club's career charts in games (2,324), at bats (7,859) and hits (2,006). He also stands in the top 5 in career runs, doubles, home runs, stolen bases, total bases, and extra base hits. He also hit 3 inside-the park home runs during his playing career with the Royals.

White was honored with the Ernie Mehl Award for his contribution to the Kansas City community in 1988.

Dick Howser - #10

Manager, 1981-1987

Dick Howser managed the Royals from Aug. 31, 1981 to Feb. 23, 1987 before losing a courageous battle to cancer on June 17, 1987. During Howser's regime, the Royals won 3 division titles and a World Championship in 1985. His uniform number 10 was the first number retired by the Royals.

One of Major League Baseball's most successful and popular managers, he compiled a 404-365 record (.525) while guiding the Royals.

He guided the club in one of the most remarkable and endearing comebacks in Major League postseason history, defeating Toronto in the ALCS and St. Louis to win the 1985 World Series. His skills and ability to maneuver the lineup and roster played an important role in the club's success, as he capitalized on a strong starting pitching staff and maximized an offense that ranked 13th in average and runs scored.

Howser's World Series season was quite an encore for a manager who was named the ESPN Manager of the Year and finished second in the Baseball Writer's Manager of the Year balloting in 1984. His 1984 edition was hampered by injuries throughout the year as his starting lineup was together for only 50 of the 162 games. Despite the injuries, he guided the Royals from a sixth-place standing and a 40-51 record on July 18, to capture the A.L. West crown by compiling an astonishing 44-25 record over the last 10 weeks.

Overall, he compiled a 507-425 (.544) record at the big league level after guiding the New York Yankees to 103 wins in 1980, becoming just the 4th manager in baseball to win 100 games in his first year.

Howser began his professional career after twice earning All-America honors at Florida State. The 1961 *Sporting News* Rookie with the Kansas City A's, he was a member of the 1961 All-Star team and enjoyed an 8-year Major League playing career.

No-Hitter Summaries

Steve Busby, Jim Colborn and Bret Saberhagen are the only pitchers in Royals history to have hurled no-hitters.

Busby accomplished the feat on 2 occasions, the first coming at Tiger Stadium when he held Detroit hitless on April 27, 1973. He gave up 6 walks and struck out 4 as Kansas City won 3-0. His 2nd gem also came on the road on June 19, 1974 at Milwaukee's County Stadium where he blanked the Brewers, 2-0. It was in near perfect fashion as the only baserunner was George Scott, who walked to lead off the 2nd inning.

Colborn recorded the 1st no-hitter by a Kansas City

pitcher in Kauffman Stadium on May 14, 1977, when he blanked the Texas Rangers, 6-0. It too was nearly a perfect outing as Colborn walked one batter and hit another while facing only 28 batters.

Saberhagen recorded his gem in Kauffman Stadium vs. the Chicago White Sox on August 26, 1991. He walked 2 and fanned 5.

California Angels ace Nolan Ryan recorded the 1st no-hitter in Kauffman Stadium on May 15, 1973. He struck out 12 and allowed only 3 base runners, all walks, in the 3-0 win, his 1st career no-hitter.

Pregame: The manager, coaches and players are generally accessible during pregame on the field, in the dugout and in the clubhouse. Players are not available during stretching, and pregame interviews should not interfere with the players specific game preparations.

Manager Tony Muser is available to the media before games in the Royals dugout, usually around 4 p.m. prior to 7:05 p.m. games. He may also be available before the clubhouse opens upon special request through the Media Relations Department. We request that reporters and broadcasters leave the field and dugout area when infield practice begins and that photographers report to their assigned photo positions.

Manager Postgame: The Royals will conduct a postgame interview in a room for the manager on Level 1 immediately following each Royals home game. The postgame interview room is specifically designed for, but not limited to, the electronic media. This is the only area where the electronic media may interview the manager postgame. There will be no postgame radio or TV interviews allowed in the manager's office. Postgame interviews with all personnel should generally be related to the game.

The Royals Clubhouse will be open to the media with clubhouse credentials for a period of 3 1/2 hours prior to game time until 45 minutes prior to the game. For postgame interviews, the clubhouse will open approximately 10 minutes following the game. The Royals clubhouse will be closed between games of a doubleheader. There will be occasions when the Royals may request the clubhouse be cleared for team meetings and we ask your cooperation at these times. The player's lounge, training room and conditioning areas are closed to everyone except players and Royals officials. The dugout is off limits in accordance with American League rules during the game to everyone except the manager, coaches, players and certain club officials. Still photographers are not permitted in the clubhouse.

Photographers will be assigned to photo bays on the field at either end of each dugout or the bay located in the main press box. Photographers in the dugout field boxes should leave between innings only. Photos are allowed during batting practice, but photographers should remain in foul territory in the area behind the first and third base bags. Photographers should assume their assigned positions at the conclusion of batting practice.

Kauffman Stadium

Adding age to its beauty, the Kansas City Royals will celebrate their 30th season at Kauffman Stadium in 2002.

Opened as Royals Stadium on April 10, 1973, it is recognized throughout baseball as one of the game's most beautiful ballparks. Since then, many exciting games have been contested, including the 1973 All-Star Game, 3 no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series tilts in 1980 and 1985. The facility was officially re-named in honor of Ewing M. Kauffman in a ceremony at the stadium on July 2, 1993. Since its opening, a total of 53,062,406 people have visited the stadium, including a record 2,477,700 in 1989.

Kauffman Stadium's unique features include a 12-story high scoreboard and a 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40 by 60 foot screen. The water spectacular is the largest privately funded fountain in the world.

Added in 1990 was a state-of-the-art Sony JumboTron color video display board installed on the left field hillside. Measuring 30 by 40 feet, it's one of the largest video boards in the U.S. The top of the board features the Royals logo. In keeping with the architecture of the stadium, the existing water spectacular featuring cascading water now extends to the left field corner.

A grass playing field replaced the artificial surface at Kauffman Stadium prior to the 1995 season. The fences were also moved in 10 feet from bullpen to bullpen at that time and lowered from 12 feet to 9 feet.

Prior to the 1999 campaign, additional field level seating, known as "Crown Seats" and four dugout suites were added to enhance the stadium. Prior to the 2000 season the Picnic Pavilion was added near the base of the JumboTron in leftfield for groups attending the games.

The re-naming of the stadium was appropriate in that it was the strength and integrity of Ewing M. Kauffman's ownership that provided the cornerstone for the Royals success. Kauffman purchased the club as an expansion franchise in 1968 with the primary and continuous motivation of providing winning Major League Baseball for Kansas Citians. Kauffman, who founded Marion Laboratories in his mother's basement and built it into a diversified health care company with sales reaching nearly one billion dollars, possessed a sense of daring and an innate ability to motivate those around him. The club's even-handed philosophy bears the Kauffman stamp. Mr. K also gave much personal attention to the Kansas City community, an important philosophy that was inbred into the Royals organization and still remains today.

Among the awards Mr. Kauffman won for his leadership include the Kansas City Press Club's 1973 Man-of-the-Year, the "Mr. Baseball" honoree at the Kansas City Baseball Awards Dinner in 1976 and 1991 and induction into the Missouri Sports Hall of Fame. He also received the Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" Award and the Distinguished Service Award from the American Legion. Mr. K passed away on Aug. 1, 1993.

Baseball Rules/Terminology

Definition of a Night Game: Any game scheduled to start after 6 p.m. will be considered a night game. If a game is scheduled to start at 6 p.m. and is delayed by rain, or for any other reason, it will be considered a day game. If a game is scheduled to start at 6:01 p.m. it will be considered a night game. Two-night doubleheaders shall be included in doubleheader statistics and shall be considered two night games. When afternoon and night games are played on the same date with separate admissions, the games shall be day and night and count as single games.

Designated for Assignment: Allows a club to open up a roster spot while waiting for him to clear waivers, which can take up to 10 days.

Designated Hitter Rule: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

Disabled List: There are two disabled lists (15-day and 60-day). Players can be disabled retroactively, up to a maximum of 10 days, beginning with the day after the last day on which they played. A player on the 15-day DL may be shifted to the 60-day DL at any time. Players may be assigned to a Minor League club for the purpose of injury rehabilitation for a maximum of 20 days (30 days for pitchers).

Figuring Magic Number: To determine a team's "Magic Number" in the pennant race, compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

Major League Trading Regulations

The trading deadline for all inter- and intra-league deals is midnight July 31. Waivers are required for all inter- and intra-league deals from August 1 until 5:00 p.m. (EDT) the day after the regular season concludes. No waivers are required the remaining 10 months of the year.

Options: When a player is on the 40-man roster but not on the 25-man Major League roster, he is on "optional assignment." Each player has three option years and he can be sent up and down as many times as the club chooses within those three seasons. When a player is "out of options" that means he's been in the majors during three different seasons and in his fourth professional season, to be sent down, he will have to clear waivers.

Outright: To assign a player to a club's Minor League affiliate without the right of recall. Player is removed from the 40-man roster.

Pinch Hitter Rule: A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up).

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Recalled vs. Contract Purchased: If a player is on the 40-man roster he is "recalled." If not, then his contract is purchased (for a nominal fee) from the Minor League team. A player must be added to the 40-man roster when his contract is purchased.

Roster Limitations: Rosters are limited to 25 players from Opening Day through August 31 and 40 players from September 1 through the conclusion of the season. Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has completed a 15-day trial period or has participated in a championship game, whichever comes first.

Rookie Qualifications: A player shall be considered a rookie unless, during a previous season or seasons, he has: a. exceeded 130 at-bats or 50 innings pitched in the major leagues; or b. accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service).

Baseball Rules/Terminology

Rule 5 Draft: A player not on the Major League 40-man roster is eligible for the Rule 5 Draft in December if: 1. The player was 18 or younger when he signed a pro contract and this is the fourth Rule 5 Draft since he signed; or 2. He was 19 or older when he first signed a pro contract and this is the third Rule 5 Draft since he signed.

Save Rule: Saves shall be awarded to relief pitchers under the following criteria: Rule (10.20) tells the official scorer to credit a pitcher with a save when he meets all three of the following conditions: 1. He is the finishing pitcher in a game won by his club; 2. He is not the winning pitcher; and 3. He qualifies under one of the following conditions: a. He enters the game with a lead of no more than three runs and pitches for at least one inning; or b. He enters the game with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces); or c. He pitches effectively for at least three innings.

Select: To add a player from a Minor League affiliate to the club's 40-man roster. During the season, the player must report to the active 25-man roster or be assigned optionally to the Minor Leagues.

Suspended Game Rule: A game terminated for any of the following reasons will be a suspended game if it has progressed far enough to be an official game (i.e. 4 1/2 or 5 innings): 1. A curfew imposed by law; 2. A pre-arranged time limit; and 3. Darkness where local law prohibits turning on the lights or where lights are not available.

Light Failure: A game terminated by light failure or malfunction of a mechanical device under the control of the home club will be a suspended game **anytime after it starts.**

Inning in Progress (Added in 1980): If weather forces the termination of a legal game while an inning is in progress, it will become a suspended game if either of the following conditions exists: 1. The **visiting team** has scored one or more runs to tie the game, and the **home team** has not scored; 2. The **visiting team** has scored one or more runs to take the lead and the **home team** has not tied the score or retaken the lead.

Note: If a legal game is **tied** when called because of weather and neither of the above situations prevails, it is a **tie game** and must be **replayed in its entirety.**

Procedures for Resumption of Play: Suspended games shall be resumed at the exact point of suspension immediately preceding the next single game between the 2 clubs on the **same ground.** If that is not possible, other provisions for resumption are specified in A.L. Regulation 5.2 (c).

Umpire Interview Policy: Major League umpires shall cooperate with the news media concerning controversial plays, protested games and unusual incidents, ejections, etc. Any unusual play should be explained to the press box, usually between innings. Umpires are available for post game interviews relative to unusual or controversial happenings. The senior umpire is in charge of such interviews and will act as a spokesman for the "crew."

Waivers: If a player placed on Major League waivers is not claimed by another team within three business days after waivers have been requested, then the player has "cleared waivers", and the team has secured waivers for the remainder of the waiver period. The team then can do one of three things: 1. Send him to the minors (subject to his consent, if he is a "Veteran Player"); 2. Release him, which makes the player a free agent and thus available to sign with any team; and 3. Trade him to another team, even if the trading deadline has passed.

Note: Any trades after July 31 may only involve players who have cleared waivers. If a player does not clear waivers (claimed by another team or teams), the club requesting waivers may withdraw the waiver request. If the club does not withdraw the waiver request, the player's contract is assigned in the following manner: 1. If only one claim is entered, the player's contract is assigned to that claiming club; 2. If more than one club in the same league makes claims, the club currently lower in the standings gets the player; and 3. If clubs in both leagues claim the player, preferences shall always go to the club in the same league as the club requesting waivers.

Batting Average—divide the total number of safe hits **by** the total times at bat.

Slugging Percentage—divide the total bases of all safe hits **by** the total times at bat.

Pitchers Earned Run Average—multiply the total earned runs **by** 9, and **divide** the result **by** the total number of innings pitched.

Fielding Percentage—divide the total putouts and assists **by** the total putouts, assists and errors.

Won-Loss Percentage—divide the number of games won **by** the total games won and lost.

On-Base Percentage—divide hits plus total bases on balls plus hit-by-pitcher **by** at-bats plus total bases on balls, hit-by-pitcher and sacrifice flies (for purposes of this percentage ignore being awarded first base on interference or obstruction).

2003 Spring Training Home

The Royals 35th Spring Training season in club history will be its first-ever outside the state of Florida, as the Royals move their spring camp to Surprise, Ariz., beginning in 2003.

The Royals and Texas Rangers will share a \$48 million, 10,500-seat multi-purpose Recreation and Major League Spring Training Campus on land owned by the City of Surprise. In addition, the city intends to use the facilities for adult and youth recreation programs, community events and programs, special events and meeting facilities.

The stadium/amphitheater complex and baseball practice fields will be incorporated into a master-planned municipal center, including administrative offices, recreation/aquatic center, 23,000-square-foot library, and 35-40 acre passive park.

Surprise is approximately 35 minutes Northwest of Phoenix, past Sun City West off Highway 60. The complex will be located on 125 acres in the vicinity of Bullard Avenue and Greenway Road.

HOK Sport, an internationally renowned Kansas City architectural firm devoted to creating exceptional sports facilities, was designated to design the sports facilities.
